David Heelan – Accountant

Prior to joining the team of I Can Be Social and Community Service Inc., much of David's experience has come from retail and manufacturing sectors, David Heelan has started taking up volunteer work for different causes since just after high school. It all began as a library assistant at Gallanough Resource Centre in Markham involving book repair, shelving, and maintaining records. This recreational facility provides library services and programs to the local community.

The next non-profit endeavor was from Houslink Community Homes in North York as an A/R Assistant. This charitable organization deals with supportive housing and recovery for people living with persistent mental health challenges and addiction issues. In this position David was taking care of financial records, updating the customer databases, and sending out notices to residents regarding income verification, rent changes, and N2 reports.
